# VAUBAN AUDITORIUM

470 M<sup>2</sup> STAGE  
20 X 10 M SCREEN

## FLOOR PLAN

## COMFORTABLE AND INNOVATION

The key idea behind the design of this auditorium is comfort. First of all, it is easy on the eye - its décor enhances the materials and plays with the light, and it has an extremely wide proscenium arch. Next, the sound quality - this room is equipped with one of the best sound systems available. Finally, practical convenience - there are entrances at the top, the bottom and the middle of the auditorium. Innovation with the installation of a 4K screen.
